WHO WE ARE

Paani Precisions possess in-depth expertise in manufacturing an array of unmatched Precision Brass Components, Brass Fasteners, Brass Insert in Range, Brass Hardware Parts like Brass Mirror Cap in Range, Brass Glass Holder, Brass Hinges, Brass Electrical Accessories, Brass Terminal, Brass Terminal Blocks, Brass Lighting Decorative Accessories, Brass Agriculture Parts, Brass Table Flag Parts and Brass Gas Valve as per the customer's design & specifications.

We have a total control over the quality of the products right from the raw materials to the finished products.

We Manufacture and Exports our products Worldwide.

WHY CHOOSE US

Quality and success is never an accident its always the result of an intelligent effort.

- Customized manufacturing as per customer drawing & specification.
- Competitive Pricing, Excellent packing & fast delivery.
- International quality standard with provide quality report.
- Having 5 years of experience in Brass Components Manufacturing.
- Well-equipped infrastructure.
- We will reduce and minimize any air, water and noise pollution arising from manufacturing activities.
- Optimize utilization of raw-material and non-renewable resources.
- Actively pursue efforts towards waste minimization.

OUR MISSION

"We are in the business of manufacturing precision brass components. We want to be a niche catering to specific needs of customers in industries such as Electrical & Electronics industries. We want to form partnerships with customers, suppliers and employee for satisfying our customers' needs. We will conduct our affairs ethically at all times."

"Superior quality is the primary concern at Paani Precisions, we strictly adhere to stringent quality management systems in order to facilitate an error free production from every stage our entire manufacturing process is monitored by a team of well professionals having years of experience behind them."

HIGH QUALITY

OUR VISION

"Continuous improvement in Quality, Service and timely deliveries to exceed customer satisfaction. Efficient utilization of resources such as technology, human resource and raw material."

"It is our policy to manage our manufacturing activities in an environmentally responsible and lawful manner, so that there is no harmful effect to the environment."

POLLUTION FREE

STRENGTH

MANUFACTURING EXCELLENCE

We are using latest technology machinery for getting the product by doing minimum operation which results into reduce process time and cost of the products.

DESIGN ENGINEERING

We create drawing by using the AutoCAD Software as per customer's specifications and it will send to production department.

GLOBAL REACH

We provide wide range of high quality brass component products to the international industry. We are supplying our products into 16+ countries.

MACHINING WORKSHOP

We have large Machining workshop for the production that consist of cutting, shaping, drilling, finishing, and other processes using high grade of tools.

STANDARD MANPOWER

Our Manpower is good experienced, efficient and scalable for any solutions to our company.

ENERGY EFFICIENT

Our goal is to reduce the amount of energy required to provide products.

PRECISION BRASS COMPONENT

We have shown rapid growth in the market and we provide our customers premium quality of Brass Component. We make the components with accuracy of as low as 10 microns.

High Quality Customized Turned Parts with great precision & Accuracy can be made very effectively by our CNC Machines in Metals like Brass, Stainless steel & Mild Steel and Aluminum.

SALIENT FEATURES

- Very High Quality Parts can be made of Turning diameter between 10mm to 70mm.
- High Processing accuracy to achieve Zero defect products leading to 0 PPM.
- Complex parts can be made effectively.
- Small batch quantity products can be undertaken which is of benefits to customers whose requirements are small or change at short notice
- Any Kind of special turned parts can be made as per customer's specifications.

STANDARD SPECIFICATION

- For connecting pipes or fittings of different types
- Brass for corrosion resistance, ductility at high temperatures, and low magnetic permeability
- Operating temperatures range from -53 to 121 degrees C (-65 to 250 degrees F)
- Meets specifications ASTM B584 and ASME/ANSI B16 for quality assurance.

THREADS

- ISO Metric (MM Threads)
- British Standard Threads BSP, BSPT, BSW, BSF, BA
- ASTM threads like NPT, NPTF, UNC, UNF
- PG Threads
- Edison Threads
- or almost any threads as per custom specification

MATERIAL

- Free Cutting Brass IS 319 Type (I) or BS 249 Type (I) or High Grade
- Any Special Brass Material Composition as per customer's requirement
- Stainless Steel Turning Grades like 303, 304 etc.
- Mild Steel Grades like EN 1A (BS 970 230M07) etc.

FINISH AND COATING

Natural Clean, Nickel, Silver, Tin, White, Yellow or Blue Zinc

BRASS VALVE

We have been manufacturing high-quality bronze and brass valves in servicing residential and commercial markets.

For manufacturing these components, we ensure that fine quality of brass metal is used. Further, we also see to it that the brass alloy has the required ratio of copper and zinc. Our clients laud us for the quality of products and the promptness of our delivery services.

BRASS VALVE TYPES

- Brass Ball Valve
- Brass Non Return Valve
- Brass Valve Spindles
- Brass Needle Valve
- Brass Gas Valve
- Brass Mini Ball Valve
- Micro Torch Soldering & Welding Torch Valve
- Brass Air Valve
- Brass Float Valve
- Nitrogen Valve

CNC TURNED COMPONENT

Paani Precisions is one of the most renowned CNC Turned Components Manufacturers, Suppliers and Exporter.

We have gained much prominence as a CNC Turned Components Manufacturer and Supplier. We are well equipped with innovative technology for the products of excellent quality parts for various industries for their various features and wide application area.

AVAILABLE SIZE

As per customer requirement.

MATERIAL

Brass Extruded, Brass Casted, Aluminium, Zinc, Bronze, Copper.

MATERIAL GRADES

- CuZn39Pb3
- CW614N
- CW602N
- CZ132
- C35330

Any special brass material composition, As per customer requirements.

FEATURES

- Easy installation
- Provides high quality surface finish
- Rust resistant
- High tensile strength
- Optimum quality
- Ideal for highly customized Precision components
- Complex parts can be made effectively

THREADS

ISO Metric (MM), (UTS), (UNC), (UNEF), (NPT), (BSP), (BSPT), (BSW), (BSF), (BA)

Any as per customize specification.

SPECIAL FEATURES

Small batch quantity products can be undertaken which is of benefits to customers whose requirements are small or change at short notice.

FINISH & COATING

Natural, Nickel Plated, Tin Plated or any coating as per customer specification.

NOTE: Any kind of CNC Turned Components can be developed and supplied exactly as per customer specifications, design and requirement.

BRASS FASTENERS

We are having more than 5 Years of experience to develop and supply of various type of Brass Anchors and Anchor Fasteners in Domestic and International market.

We are the leading manufacturer of Brass threaded inserts for plastics Industries, Communication equipment, Automotive Industries, Electrical & Wiring Device Cases etc. We have available Hex Nuts, Brass Lock Nut, Brass Round Nut, Brass Check Nut, Wing Nut and Square Nut.

We offer Brass Screws in different designs, sizes, and dimensions at very affordable prices. Our firm has earned huge respect in this domain by consistently manufacturing and exporting supreme grade Brass Washer. We offer a vast range of Brass Spacer designed for use in various applications. These Brass Spacer are available in Round & Hex shapes.

BRASS FASTENERS TYPES

BRASS ANCHOR

BRASS HEX NUT

BRASS INSERT

BRASS SCREW

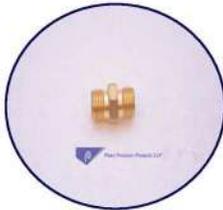

**BRASS SPACER
(STANDOFF)**

BRASS WASHER

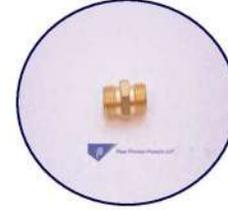

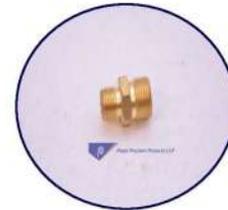

BRASS FITTING PARTS

We have shown rapid growth in the market and we provide our customers premium quality of Brass fitting parts. They have been developed from supreme quality raw materials and tremendously updated technology. Our products have completely cornered the popularity charts due to attractive features like optimum usage, performance and friendly prices. They also have long lives, are high on durability, strength, etc. and are developed to suit client's needs.

BRASS FITTING PARTS

- Brass Sleeve (Olive)
- Brass Sleeve Nut
- Brass Union
- Brass Reducing Union
- Brass Male Connector
- Brass Female Connector
- Brass Hex Nipple
- Brass Hex Reducing Nipple
- Brass Hex Socket
- Brass Hex Reducing Bush
- Brass Adaptor
- Brass Elbow
- Brass Tee

BRASS FITTING PARTS

USE WITH

Iron Pipe, Brass Pipe

MATERIAL

Brass Extruded or Brass Casted.

MATERIAL GRADES

- CuZn39Pb3
- CW614N
- CW602N
- CZ132
- C35330

Any Special Brass Material Composition, As Per Customer Requirements

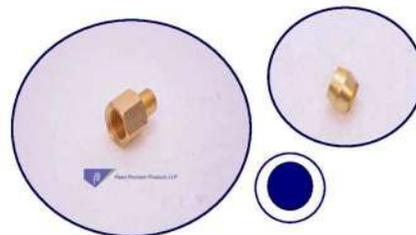

THREADS

ISO Metric (MM), (UTS), (UNC), (UNEF), (NPT), (BSP), (BSPT), (BSW), (BSF), (BA)

Any as per customize specification.

FINISH & COATING

Natural Brass, Chorem Plated, Nickle Plated or any coating as per customer specification.

BRASS FLARE FITTING

We have shown rapid growth in the market and we provide our customers premium quality of brass flare fitting parts. They have been developed from supreme quality raw materials and tremendously updated technology. Our products have completely cornered the popularity charts due to attractive features like optimum usage, performance and friendly prices. They also have long lives, are high on durability, strength, etc. and are developed to suit client's needs.

BRASS FLARE FITTING

- Flare Nut
- Flare Long Nut
- Flare Union
- Flare Reducing Union
- Flare Male Connector
- Flare Female Connector
- Flare Male 45 Degree Elbow
- Flare Male Elbow
- Flare Union Tee
- Flare Male Tee

USE WITH

Iron Pipe, Brass Pipe

MATERIAL

Brass Extruded or Brass Casted.

FEATURES

- Optimum durability
- Rust proof
- Superior finish

BRASS FLARE FITTING

MATERIAL GRADES

- CuZn39Pb3
- CW614N
- CW602N
- CZ132
- C35330

Any Special Brass Material Composition, As Per Customer Requirements

THREADS

ISO Metric (MM), (UTS), (UNC), (UNEF), (NPT), (BSP), (BSPT), (BSW), (BSF), (BA)

Any as per customize specification.

FINISH & COATING

Natural Brass, Chorem Plated, Nickle Plated or any coating as per customer specification.

BRASS HOSE BARB FITTING

Paani Precisions is one of the most renowned Brass Hose Barb Fitting Manufacturers, Suppliers and Exporter. For manufacturing these components, we ensure that fine quality of brass metal is used. We have gained much prominence as a Brass Hose Barb Fitting Manufacture and Supplier.

Our clients laud us for the quality of products and the promptness of our delivery services.

MATERIAL

Brass Extruded or Brass Casted.

TEMPERATURE RANGES

-65° F to 250° F with metal tube.

FEATURES

- Easy to install
- Robust construction
- Perfect fitting
- Non-slip surface finish

APPLICATION

Air/Water/Oil/Fuel

MATERIAL GRADES

CuZn39Pb3, CW614N, CW602N, CZ132, C35330

Any Special Brass Material Composition, As Per Customer Requirements

THREADS

ISO Metric (MM), (UTS), (UNC), (UNEF), (NPT), (BSP), (BSPT), (BSW), (BSF), (BA)

Any as per customize specification.

FINISH & COATING

Natural Brass, Chrome Plated, Nickel Plated or any coating as per customer specification.

PRESSURE

Working pressure up to 2000 psi with a 4:1 safety factor depending on tube size.

SPECIAL FEATURES

Thread as per international Go and Not Go Gauge Standard.

NOTE: Any kind of Brass Hose Barb Fitting Parts can be developed and supplied exactly as per customer specifications, design and requirement.

BRASS HARDWARE COMPONENTS

We are largest manufacturer and exporter of brass hardware components.

We are largest manufacturer and Exporter of Brass Glass Bracket and many types of Brass Mirror Cap. Our Brass Handles are greatly demanded for their accurate construction. Very wide range of optimum quality Brass Hinges can be purchased from us at very low and attractive prices. We are also offering brass glass stopper in various attractive shades and patterns, and brass decorative knobs and brass lock knobs. Which is generally use in office, home, kitchen, furniture etc.

BRASS HARDWARE COMPONENT

**BRASS MIRROR CAP
(SCREW COVER CAP)**

BRASS DOOR KNOB

BRASS GLASS STOPPER

BRASS HINGES

HANDLE

BRASS TABLE FLAG STAND

We are one of the most renowned Brass Table Flag Stand Manufacturers, Suppliers and Exporter. We offer rugged designed, sturdily constructed, dimensionally accurate and durable table flag stand to the clients.

The Table Flag Stand offered by us are made using premium quality brass and sophisticated technology. We offer Table Flag Stand in different designs, sizes, and dimensions at very affordable prices.

MATERIAL GRADES

CuZn39Pb3, SS-5170

Any Special Brass Material Composition, As Per Customer Requirements

MATERIAL

Brass Extruded, Stainless steel, Brass, Bronze, Aluminum, Steel, Copper.

THREADS

ISO Metric (MM)

PACKING

As per customer requirement

FINISH & COATING

Natural, Brass Lacquer, Brass Antique, Chrome Plated, Nickle Plated, Tin Plated or any coating as per customer specification.

NOTE: Any kind of Brass Hose Barb Fitting Parts can be developed and supplied exactly as per customer specifications, design and requirement.

DECORATIVE METAL PARTS

We are one of the most renowned brass decorative metal parts manufacturers, suppliers and exporter. we are manufacturing & export the decorative metal parts of brass cross small, brass cross big, aluminium dural cross, brass double louver cross, brass louver cross, greek cross, steel cross, orthodox cross, brass name plate, croissant (chand), flames (torch), brass small christ, brass big louver christ as per custom design customer specifications, design and requirement.

MATERIAL

Brass Extruded or Brass Casted.

PACKING

As per customer requirement

PRICE AVAILABLE

EX Factory Price, FOB, C&F, CIF

MATERIAL GRADES

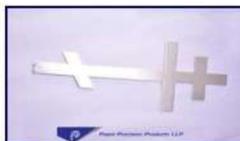

CuZn39Pb3, CW614N

Any Special Brass Material Composition, As Per Customer Requirements

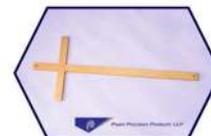

FINISH & COATING

In Mirror Polish, Gold Anodized, Bronze Antiq, Gold, Silver, Antiq, Mat & Varnis, Bronze Antiq and as per requirement.

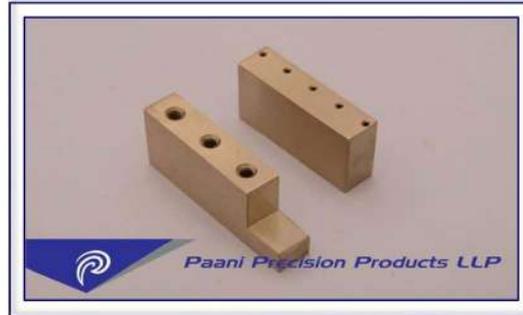

NOTE: Any kind of Decorative Metal Parts can be developed and supplied exactly as per customer specifications.

MUSICAL INSTRUMENTS COMPONENTS

We are one of the most renowned Brass Musical Instruments Components Manufacturers, Suppliers and Exporter. For manufacturing these components, we ensure that fine quality of brass metal is used. Further, we also see to it that the brass alloy has the required ratio of copper and zinc. We have gained much prominence as a Musical Instruments Components Manufacturer and Supplier. Our clients laud us for the quality of products and the promptness of our delivery services.

MATERIAL

Brass Extruded or Brass Casted.

PACKING

As per customer requirement

PRICE AVAILABLE

EX Factory Price, FOB, C&F, CIF

MATERIAL GRADES

CuZn39Pb3

Any special brass material and other metal composition as per customer requirements.

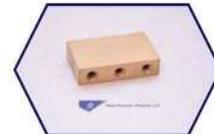

FINISH & COATING

Natural Brass, Chorem Plated, Nickle Plated or any coating as per customer specification..

NOTE: Any kind of Musical Instruments Components can be developed and supplied exactly as per customer specifications.

BRASS AUTO COMPONENTS

We manufacture and exports of brass auto components in the worldwide market. the brass auto components offer are precisely designed and engineered by skilled professionals using advanced techniques and premium-grade metals.

Each terminal offered by us is made in adherence with the set industry standards and norms, thus suiting demands of industries and households. As an ace manufacturer, exporter and supplier of Brass Auto Components, we have marked our name very strongly in the market at present.

MATERIAL

Brass Extruded or Brass Casted.

SIZE

As per customer specifications.

MATERIAL GRADES

CuZn40Pb2, CuZn39Pb3, BS-249, IS-319

Any Special Brass Material Composition, As Per Customer Requirements

FEATURES

- Rugged construction
- High strength
- Rust resistance
- Easy to use
- Trouble free performance

THREADS

ISO metric, (MM), (PG), (BSW), (BSP), (BSB), (BSF), (BA), (NPT), (NPTF), (UNC), (UNF), (UNEF), (BSPT)

Any special threads as per customer specifications.

FINISH

Brass Natural, Electro Tinned, Nickel, Chrome, Led, Silver, Gold, Zinc Blue or any special finish/plating as per customer specifications.

NOTE: Any kind of Brass Auto Components can be developed and supplied exactly as per customer specifications, design and requirement.

Brass Electrical Components

We are manufacturing & export the brass electrical components like brass electrical block, brass neutral & earth link, brass terminal connector, aluminium neutral link, brass sealing screw, pannel board hinges, brass electrical screw, brass connector, brass electrical pin, brass meter screw small, brass meter screw, brass electrical components, brass switch button, brass switch terminal small, brass switch terminal, brass terminal as per customer specifications, design and requirement.

Each terminal offered by us is made in adherence with the set industry standards and norms, thus suiting demands of industries and households. As an ace manufacturer, exporter and supplier of Brass Electrical Components, we have marked our name very strongly in the market at present.

MATERIAL

Brass Extruded or Brass Casted.

SIZE

As per customer specifications.

PACKING

As per customer requirement

PRICE AVAILABLE

EX Factory Price, FOB, C&F, CIF

MATERIAL GRADES

CuZn39Pb3, CW614N, CW602N, CZ132, C35330

Any Special Brass Material Composition, As Per Customer Requirements

FEATURES

- Smooth surface design
- Sturdy construction
- Excellent performance
- Easy to use
- Long functional life

FINISH & COATING

Natural, Nickle Plated, Tin Plated or any coating as per customer specification.

NOTE: Any kind of Brass Electrical Components can be developed and supplied exactly as per customer specifications, design and requirement.

BRASS SANITARY FITTING

We are manufacturing & Export the Brass Sanitary Fitting component like Brass Check Nut, Brass Extension Nipple, CPVC Insert, Brass Angle Valve as per customer specifications, design and requirement.

Each terminal offered by us is made in adherence with the set industry standards and norms, thus suiting demands of industries and households. As an ace manufacturer, exporter and supplier of Brass Sanitary Fitting, we have marked our name very strongly in the market at present.

MATERIAL

Brass Extruded or Brass Casted.

PRICE

EX Factory Price, FOB, C&F, CIF

FEATURES

- Dimensionally accurate
- Easy to place and fit
- Rust proof nature
- Perfect strength
- Precise dimensions
- Corrosion-resistance

SIZE

As Per Customer Requirement.

MATERIAL GRADES

CuZn39Pb3, CW614N, CW602N, CZ132, C35330

Any special brass material composition, as per customer requirements.

THREADS

ISO Metric (MM), (UTS), (UNC), (UNEF), (NPT), (BSP), (BSPT), (BSW), (BSF), (BA)

Any as per customize Specification.

FINISH & COATING

Natural Brass, Chrome Plated, Nickel Plated or any coating as per customer specification.

SPECIAL FEATURES

Thread as per international Go and Not Go Gauge Standard.

NOTE: Any kind of Brass Hose Barb Fitting Parts can be developed and supplied exactly as per customer specifications, design and requirement.
